(APP DESIGN)

AIM OF THE PROJECT

To study the existing Website , it's pain points in comparison to the competitors app and identify the gaps and suggest the solution.

About the company

ONDC (Open Network for Digital commerce) is a network created by the Government of India to democratize E-commerce by eliminating the need for a central intermediary like Amazon and Flipkart that command a high market share (70%+) of the e-commerce trade in some categories.
